

## Fairhaven Tennis Association Junior Team Tennis USTA Team Registration Form

Please fill out the information below for your child to become a junior player on one of our USTA Junior Tennis Teams. If your child is not already a member of the USTA you will need to register them by going on the USTA Web site (<https://www.usta.com/en/home/membership/individual-memberships.html>) You can also google: US T A Junior Membership and that will also take you there. The cost is \$20.

There is also a league fee of \$25 which has to be paid to the league. We just send them one check for all of the team members. Please make out your checks to "FTA" for \$25 and send this form to us or drop it off at the Cushman Courts.

This year we will have 10 matches but each match will be a mini-match with the teams playing twice in one day. We should have at least two, maybe three, home matches. Our coaches are Andy Yin, Brian Monroe, and Stasia Powers.

The season will begin the last week of June or the week following July 4<sup>th</sup>. The season will be five weeks long and may be followed by a round robin tournament.

All players must be registered on "Tennis Link" which we will help you with once you complete and submit the registration form below.

Please fill out the information below which will be used by the coaches  
Our goal is to have all of our players registered by the end of the first week in June
