

Fairhaven Junior Tennis Program

Ladder Registration Form – 2022

The ladder is a great way of having your child push their game to another level. This program is designed for our juniors to have a weekly scrimmage among their peers while playing USTA formatted matches to prepare them for future competitions.

Each week they will be encouraged to challenge and play against those players ranked above them for advancement and climb “the ladder”.

This is a 10-week program and only offered to the Yellow Ballers. You will play a singles match at Cushman Park on Saturday mornings between 9 – 11am. Match runs about an hour, and your starting time will be announced weekly.

Enrollment fee for this program is \$60. Please send the payment:

Check – Made to “Fairhaven Tennis Association”

Paypal – Send to FTAJuniorTennis@gmail.com

The first match will be scheduled for July 16th. We are looking for a minimum of 12 players to start the program so enroll ASAP!
